HOBBY & INTEREST

ABOUT ME

My name is Win. I graduated from the Faculty of Architecture, Rangsit University. It takes a total of 5 years to study and throughout the period. I have practiced the skills necessary for the profession. Whether it's sketching, designing, using various programs, collaborating with others, experimenting with my own designs. which is the experience gained from the university I had an internship experience that made me learn to work even more in real life. systematic work, working as assigned, having a relationship and in the future that I will have the opportunity to work with others I am always ready to learn new things. and ready to offer useful design ideas.
