

Hello

My name is Pikaned Boonsom, I was born on 14 March 1997 and finished my studies in Architecture From Rajamangala University of Technology Lanna in 2020 With CGPA 2.3/5. I have been working in CNX UTP Architect as Architecture design and Experienced in several projects such as mall, hotell, office, etc.

This portfolio gathers my selected works during my professional experience at CNX UTP D+A Architect . I am constantly learning new thing and exploring opportunities that integrate my architect sensibility including space, tectonic sustainability and contexttual architecture
