Re: Application for the post for Senior Architect

Dear Sir / Madam,

I am writing to submit my application for the post for Senior Architect. I am a Malaysian Chinese who is currently working with SA Architect Sdn Bhd with over 7 years of experience in post graduate in architecture with noteworthy involvement in commercial and mixed development projects.

I can work independently and as part of a team, building relationships at all levels as demonstrated during my time at SA Architects Sdn Bhd. I enjoy working in an environment that constantly challenges me, always meeting targets and working well within time limits. I am fluent in both Chinese and English

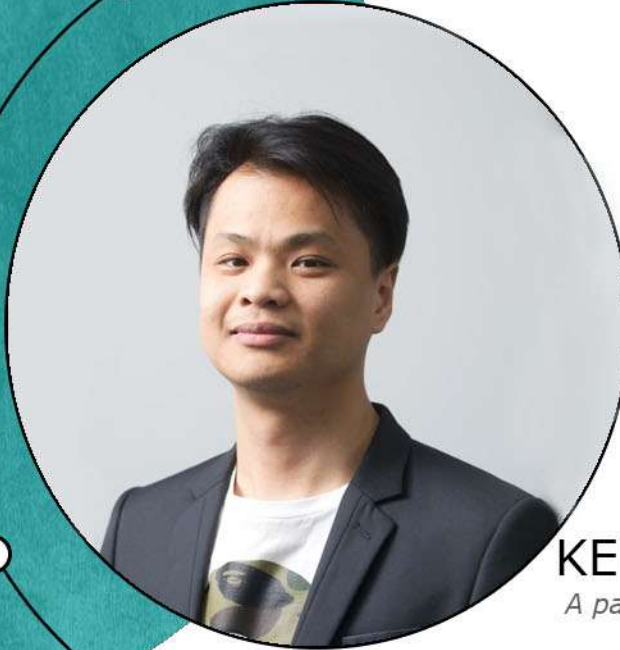

The Senior Architect role in your firm will be an excellent opportunity for me to demonstrate my knowledge and skills, and further my learning and understanding in a field that I am passionate about.

I offer the highest standard of integrity and accountability, commitment to excellence, and the tenacity to achieve successful outcomes. Details of my academic accomplishments, career aspirations, and relevant interest are highlighted in my Curriculum Vitae for your consideration.

I look forward to discussing my application with you in an interview

Yours faithfully,

Kent Chew
