## EXPERIENCE

- 2018** **Project Manager Architect in G4 Group**  
(Barcelona, Spain) \_ Currently (remote)  
Lead project management in retail projects with high-end brands like Uniqlo, Valentino, Louis Vuitton, Versace, Lucid. Successfully conducted design development, construction documentation, contractors tendering, client management, site visits and permits for more than 20 stores around the world.
- 2017** **Freelance Construction Project Manager**  
(Valencia, Spain)\_ 1 year  
Managed four residential projects during the construction phase. Produced detailed drawings and specifications. Supervised contractors and other professionals, coordinated the construction works and timings. Carried out regular site visits to check on progress, resolve problems, and ensure that the project is on time and within budget.
- 2016** **Architect in BOB361 Architects**  
(Brussels, Belgium) \_4 months  
Participated in public competitions winning the first prize for 50 social houses in Avjil (Brussels). Developed competition plans/boards, renders and physical models.
- 2015** **Architect in I STUDIO Architects**  
(Washington DC, USA) \_ 9 months  
Supported project management, development of plans, interior design and physical models for public building projects. Received many recognitions for the Marvin Gaye Cultural Center in DC.
- 2014** **Intern in Eugenio Cremades Architecture**  
(Valencia, Spain)\_ 4 months  
Assisted in conducting site visits and development of technical plans.
