Mr.Piyabut Wannarut

Nickname : Guide

Date of Birth : 6/5/1997

My degree course has prepared me well for junior architect . During my project, I was required to do a lot of independent research, which required self-motivation, and the ability to organise and work on a long term project. In particular, Architectural Design has helped prepare me by architect design .

In addition, I have internship at varda associates co. ltd, as Architectural Design. This role required design. In particular, airport, hotel, facade, office .

Im attracted to this role, because I love your architecture style and I hope that I can demonstrate to you that I would be
