

# HANNA SUL

## EDUCATION

Master of Architecture  
Kansas State University  
Manhattan, Kansas  
Aug '11 — May '16

Study Abroad  
Dessau Institute of  
Architecture  
Dessau, Germany  
March — July '15

## SKILLS

Revit  
Rhino  
Lumion  
Sketchup  
AutoCAD  
Photoshop  
InDesign  
Illustrator  
Model Making  
Sketching  
Photography

## EXPERIENCES

### Designer | Paulett Taggart Architects — San Francisco, CA | Mar '20 — Oct '21

SFMTA Potrero Bus Yard Modernization RFP | San Francisco, CA | May '21 — Oct '21  
Assisted in programming/analysis/schematic studies for a proposal of a new 1 MIL SF bus facility with multifamily residential/commercial components. Led BIM 360 modelling efforts within a highly integrated team for a competitive RFP selection process.

Restroom Pavilion, Lawrence Hall of Science UCB | Berkeley, CA | Feb '21 — Mar '21  
Procured schematic design drawings for a new exterior all-gender restroom pavilion that services the existing college. Managed team interactions and designed solutions to create new tie-ins to the existing utility structure.

East Santa Clara Senior Housing | San Jose, CA | Nov '20 — Feb '21  
Led material studies and crafted final material boards/drawing packages for the initial schematic design phase of a new 120,000 SF senior housing project.

Mission Bay 6W Affordable Housing | San Francisco, CA | Mar '20 — Oct '20  
Assisted in construction administration duties, responding to RFI's and reviewing submittals for a new 185,000 SF affordable housing project.

#### General Marketing and IT Liaison

Assisted in RFP/RFQ research, marketing drawings and managed office wide IT needs.

### Designer | MAP Architecture — Portland, OR | Sep '19 — Feb '20

A to Z Rex Hill Tasting Room Addition | Newberg, OR | Sep '19 — Feb '20  
Produced schematic design proposals, design details and permit sets for a new tasting room addition and widespread renovation to an existing winery.

### Designer | OFFICE 52 Architecture — Portland, OR | June '16 — May '19

Willie and Don Tykeson Hall, University of Oregon | Eugene, OR | June '16 — May '19  
*A new 64,000 SF College of Arts and Sciences, from schematic design to construction administration.*

- Facilitated design exploration through digital and physical modelling efforts that informed design decisions about space, form and materials
- Led terra cotta rain screen design with multiple terra cotta color/pattern studies
- Assisted in submitting drawing packages for each stage of the project, along with creating furniture, lighting, landscaping, branding/environmental graphics packages
- Produced detailed, revit based renderings at each stage of the design process
- Assisted in construction administration responsibilities, reviewing shop drawings

#### House W. | Lake Oswego, OR | July '17 — May '18

*Primary designer/ manager for the renovation to an existing house, from programming to permitting.*  
Researched city codes, produced drawings/renderings of design options that were presented to the client. Underwent a VE process between contractor/client to achieve the final design. Created a city-approved permit set, allowing construction to commence.

#### General Marketing

Produced drawings and graphic layouts for award submissions. Assisted in creating responses to various RFP's/RFQ's.
