## About me

I am a graduate from Rajamangala University of Technology Lanna Chiangmai.  
I am an optimist, listening to others, everyone around me relaxes.  
Is very cheerful Some places are crazy I learn fast Able to find new ideas all the time  
And try to listen to others To be analyzed and corrected Able to work with others

Why am I an optimist and And what I think of is that everything that comes into  
life is an experience and an opportunity to improve.
