## PROFESSIONAL EXPERIENCE

### FREELANCE PROJECT MANAGER

SVBT Studio Bangkok, Thailand (Oct 2023 - Present)

Oversees architectural and design aspects for residential renovations (one renovation published in Sloft Magazine) Simultaneously coordinates with international teams on the historic restructuring of the Château de Versailles, managing pre-tender processes and design approvals.

### PROJECT MANAGER

PLANETE MANAGEMENT Paris, France (Nov 2020 - Oct 2023)

Managed pre-tender studies for large-scale demanding urban and historical site restructuring projects as specialist in scheduling, planning and coordination with budgets exceeding €60M. Notable projects include the *Projet One Tour Eiffel* and the restructuring of the *Château de Versailles*.

Led multiple projects including 4 educational facility projects, overseeing construction phase, including complete rehabilitation and new buildings, emphasizing quality control, stakeholder communication, financial tracking, coordinating shop drawings, and timely delivery under challenging conditions.

### ARCHITECTURAL PROJECT MANAGER ASSISTANT

ATELIER CONFETTI Paris, France (Jan 2020 - May 2020)

GMAA, Paris, France (May 2018 - Jul 2018)

Interior design, architectural design and construction follow up.

### DEVELOPMENT PROJECT MANAGER ASSISTANT

FRENCH RED CROSS Paris, France (Oct 2017 - Apr 2018)

Supported feasibility studies for the demolition of the French Red Cross headquarters, leading to a 20,000 sqm project.

### WORKS MANAGER ASSISTANT

ACORUS Paris, France (June 2017 - Sept 2017)

Managed the fast-paced renovation of several floors within two four-star hotels in the Paris suburbs, coordinating work in an occupied environment to minimize disruptions and adhere to strict deadlines.
