## BIO

Marta Linynska is a Senior Architectural and Interior Designer with a passion for sustainable architecture and inclusive environments that positively influence those who inhabit and work in these spaces. She possesses good leadership, cross-cultural communication skills, and a knack for problem-solving. With experience leading design projects from concept to completion, she has worked in various practice areas such as work, education, culture, and mixed-use. Marta has gained valuable experience in Australian, Asian, and European practices and is now seeking a new and exciting challenge.

## WORK EXPERIENCE
