Chulalongkorn University
Bangkok, Thailand

SKILLS

Rhinoceros, Cinema 4D
AutoCAD, Grasshopper
Illustrator, Photoshop, InDesign
After Effects, Premiere Pro
V-ray, Keyshot

LANGUAGE

Thai, Fluent English

I am a postgraduate from the Bartlett School of Architecture, interested in expanding professional experience related to architecture and design. I am passionate, self-driven, hardworking, and willing to go above and beyond all design aspects for a better future. I have a creative mind that loves to seek knowledge and experience from the best. My goal is to design architecture that would help better shape the built environment and share the ideas behind great success.

EXPERIENCE

Architect, Project Manager

ASWA, Bangkok, Thailand, 2017-2019

Worked on nine projects across all phases from conceptual design to construction process. Projects ranging from residential, commercial, and interior. Have successfully taken on the roles and responsibilities of lead designer, client relations, production of working drawings and renders, coordination with engineers and contractors, site architect and manager.

Architect

FATT Studio, Bangkok, Thailand, 2017

Worked on the design development phase of three residential projects. Drafted working drawings, renders, and model making. Have taken charge in client handling and made adjustments accordingly.

Newsletter Editor

INDA, Bangkok Thailand, 2017

Project assistant, content design and editor. Coordination between students and teachers.

Designer

Design Built and Community INDA, Khao Yai, Thailand, 2016

Designer

Ignition, Penafiel, Portugal, 2015
