SKILLS

LANGUAGES

EXPERIENCE

Architect and Chinese interpreter

Grand Facade Decoration (Thailand) Co., Ltd. / Bangkok, Thailand / Mar 2018 - Current

Executed bidding related works and assist other departments including contract and documents translation, bidding documents and construction drawings preparation, material inspection and procurement, etc.

Operation officer

Obike Thailand Co., Ltd. / Bangkok, Thailand / Sep - Dec 2017

Assisted operation team grew the recognition of sharing bikes, collaborated with universities and public organizations to provide bike sharing service all over the populated cities.

Intern Architect

Serie Architects / Beijing, China / Sep - Dec 2016

Assisted the team develop design concept and prepared schematic design drawings and related documents.

Intern Architect

C+ Architects / Beijing, China / Aug - Sep 2016

Assisted the team develop conceptual design and created the physical model of previous project for display.

I graduated from an architecture school in China. I moved back to Thailand two years ago and worked in a construction firm for almost two years. Now, I want to move onto the next step, embracing new opportunities and learn from the master.
