Apply for ARCHITECT position

Dear Human Resources Manager (ARCHITECTS 49 LIMITED)

I am writing to express my interest in the architect position. The opportunity presented in this job description is very interesting, and I believe that my work experience and my educational background will make me a very competitive candidate for this position.

With a Master's degree in Architecture, I have full of the analytical thinking and architectural design skill and I also have experience in interior architecture. I believe these would assist your architecture projects to be more interesting and attractive. In addition, I am interested to learn about public buildings and high-rise buildings in terms of design, structure, and building systems including cost management to suit the customer needs. And I would like to learn and gain experience about using REVIT to design projects more efficiently.

And I am eager to be a part of a professional company that I am willing to show my potential and make the connection for my professional network.

Yours sincerely,
Mr. Piyangkul Mangbangyang
