ABOUT....

Hello! , My name is Sarawut Fuangkana , Bachelor of Architecture (Architecture), Bachelor of Architecture Program in Architecture , Faculty of Architecture , Prince of Songkla university , Trang campus , I have been feeling to am glad and distinguished very much that study in this branch , because , be an occupation that me dreams , and engrossed in to an architect will can in the future . I walk behind the dream has come to the halfway already , again remainder that halfway is a geometrical theorem that , I will do it comes out only which well , I am not excellent person , but , I am a person who wants to learn new always , and glad listen to the doctrine from everybody , for come to develop oneself , I will beg for to use the knowledge that me has all , come to develop architect vocation , and , I will want to be one [part] that am likely use the education comes to relay the works and good idea will come to hit miss for develop the social in the future , thank ,

SARAWUT FUANGKANA
