LISTENING DESCRIPTION -- 430

In face-to-face communications, a person at this level should have the ability to understand...

- most routine social demands;
- conversation on work requirements;
- some discussions on topics related to particular interests and special fields of competence;
- everyday personal and job related areas;
- well-known current events;
- routine office matters;
- other areas beyond their immediate needs;
- instructions and directions;
- "what, who, when and where" type questions and answers; and
- follow main points of discussion or speech at a basic level in a their respective professional field.

READING DESCRIPTION -- 365

A person at this level should be able to read...

- straightforward, familiar, factual material;
- locate and understand the main ideas and details of general reader material;
- uncomplicated prose on familiar subjects presented in a predictable sequence;
- descriptions of frequently occurring events;
- standard business letters;
- simple technical material, such as operating instructions.

When reading material of special interest a person at this level should be able to...

- summarize the material;
- perform sorting and locating tasks within written texts beyond their general level

A reader at this level uses a standard vocabulary, but should also be able to use context and real-world cues to understand the text.
