

Amaury Retailleau

Intern architect

Email: amaury.retailleau@gmail.com

Phone: +1 (604) 655-7213

Portfolio: www.amaury-architect.com

I am highly motivated and a fast learner with a quick capacity for adaptation to new situations and environments. My passion is the creation of experiences, feelings as well as places of life for each user; therefore, residential and public projects are what drive me. I believe in multidisciplinary collaborations as well as the harmonious and respectful merging of creations with the environment in order to achieve high-performance or smart buildings

PROFESSIONAL EXPERIENCE

AIBC Intern Architect - Chernoff Thompson Architects *architecture company*
www.cta.bc.ca (Vancouver - Canada)
