OBJECTIVE

With over 5 years of experience in architecture and have transitioned from Architecture to Interior designing, I've a combination of skills that add value to every stages of the design process.

My goal is continually progress of my skills and acknowledge in field of architecture/designing. I would like to work, where I can be challenged and be essential to my workplace and help it to reach a global prosperity.

EXPERIENCE

- **SALTADOR ARCHITECTS, LUCKNOW**
MAY 2015 - PRESENT
(ARCHITECT)

- Project Title: Ishanika Hotel, Lucknow

- Developed client-centric, cost effective design solutions and initiated in major planning.
- Developed drawings from concept to working level stages and 3D views.
- Utilized experience by working with local building officials, site surveyors and contractors.
- Coordinated and prepared submission drawings.

- Project Title: Radius Hospital, Lucknow

- Involved in planning with proper research of norms and bylaws.
- Handled client meetings, presentations and met with the project deadlines.
- Assisted in the production of construction documents and coordinated with several external consultant and vendors.
- Review shop drawings and project submitle.

- Project Title: Residential Interiors, Lucknow

- Finalized the concept with theme proposals and layouting.
- Prepared detail drawings and BOQs.
- Finalised materials and furnitures with client and vendors coordination and site execution.

● Freelance Work

- Project Title: Fame Café, Lucknow

- Inspired by Hollywood Walk-of-fame, Los Angeles, the themes was so decided to justify the Café's name.
- With 5000sqft of area the café has a indoor dining, bar area and outdoor sitting with cabanas and live performance deck.
- Designed the landscape of the outdoor area.

- Project Title: Smack Restaurant, Bhopal

- Theme is based on a food truck as this business was started with a food truck.
- The design is a fusion of meditarian and modern style interior.
- The artificial food truck was fabricated on-site which is used as a drink counter.
- The lighting features was an outcome of the experiment done on the site.

● AVINASH NAWATHE ARCHITECTS, PUNE (M.H) // FEB 2014 - MAY 2014

- Learned to make detailed drawings of project.
- Involved in the process of preconcept/concept designing.
- Site visits to get the relation between drawings and actual site work.
- Use of AutoCAD, SketchUp and V-ray to make the initial drawings of project.
- Understood the importance of teamwork, collaboration and responsibility.

● A.D.A.P.T DELHI // MAY 2013 - AUG 2013 CONSERVATION FIRM IN DELHI

- This project was for Madhya Pradesh Tourism which was funded by World Monument Fund, US.
- Measured and Prepared AutoCAD drawings of Fort and Temple.
- Understood the design strategy of forts and old temple.
