A49 (Thailand) Ltd.

To whom it may concern,

I am writing this letter to express my interest in the junior architect position. I also hope that I will have an opportunity to be an architect and gain some new experiences here.

My name is Janitha Thawankan. I am a fresh graduate from Arsomsilp Institute of the Arts with Bachelor of Architecture, majoring in Architecture. Throughout the university courses, I have a completed learning process including reading an architectural drawing, analysis data, conducting field studies, using programs (ex. AutoCAD Rhinoceros Lumion etc.) as well as developing presentation and teamwork skills. I am also studying design that changes all the time. Therefore, I am confident that I will be able to learn as well if I have a chance to work at your company.

Please take a moment to review my attached resume and portfolio. I would greatly appreciate the opportunity to speak with you regarding my work. Thank you for your consideration.

Sincerely,

Janitha Thawankan
