SATINEE SAETA E

ARCHITECT AND INTERIOR DESIGNER

I have always been interested in architecture and interior design. Because an architecture is the art of designing buildings and Solve the problem between context and human and Interior design is the art of enhancing the building to achieve a healthier and more aesthetically pleasing environment for the people using the space.

I'm looking for a job with a great position to learn and improve. I would like to utilize my skills and experience which are building designing, marketing research, creative ideas, conceptualize and interior/exterior design. In addition, I have a strong team work communication as well as a fast learning skill. So, it ensures that I will perform with the great works in order to achieve the goal of the company.
