

- CURRICULUM VITAE -

GEORGE KOLADY

ARCHITECT

- ABOUT -

I'm a 23 year old architect and have recently completed B.Arch from College of Architecture, Trivandrum.

I am keen to learn new skills and explore the unlimited possibilities in the field of design and wish to evolve with every step I take. I bring positive outlook and the ability to work with any team as well as skills in 3d modelling, rendering, graphic representation and design.
