

May Thway Tun

Curriculum Vitae & Work Samples 2023

Hello,
I am May Thway Tun and I graduated from The University Of Kent, United Kingdom.

With a passion for the commercial and domestic housing designs, I am searching for an opportunity to assist and learn from industrial practices.

Observing the process of how a house is built under my father's guidance, my younger self has a strong desire to be capable of making my own architecture. When I went to the Kent School of Architecture and Planning (KSAP), my ambition to be an architect was further enhanced by the in-depth teaching and competitive environment. I was able to explore architecture in not only the context of bricks and mortar but also programs, utilities and above all humanity's importance.

In the workplace, my colleagues see me as a young and enthusiastic team worker who is willing to help and learn, and also an effective communicator.

I enjoy studying new knowledge and perspectives, exploring new design techniques and stepping out of my comfort zone to challenge myself in the architectural design process.

With the knowledge gained from Part I Architectural education and previous work experiences, I wish to continue to learn more about the architecture profession. New environments mean new inspirations and challenges, which I am looking forward.

SELECTED PROJECTS

Works at GEP Architects and Planners 2022 – 2023

- MARINA CLUB
- CASA HILL 1
- CASA HILL 2
- MINDAMA VILLA

Ensured builder compliance with design specifications and advised design corrections.

Created drawings from schematic design to detailed construction.

Provided details drawings into the masterplan projects.

Works at Spiral Architect and Planners 2021 – 2022

- NIRVANA FAÇADE RENOVATION
- TAITUNG HOUSING

Learned and used BIM related software including Revit, 3D modelling materials.

Determined process workflows and suggested methods of implementation of plans

Student Works at University of Kent, United Kingdom.

- MARGATE MCCA
- CLIFTONVILLE FAIRLAND
- HAND SKETCHES

EDUCATION

UNIVERSITY OF KENT,
Canterbury, United Kingdom.
*Kent School of Architecture and
Planning*
B.Arch. Hons , Sept 2020

BELLERBYS COLLEGE,
Oxford, United Kingdom
Finished with 85 Average ,June

SOFTWARE SKILLS

- AutoCAD Architecture 2D 
- Sketchup Modelling 
- Vray for Sketchup 
- Lumion Rendering 
- Adobe Photoshop 
- Adobe illustrator 
- Revit (BIM Modelling) 
- Enscap 3D 

ABILITIES

- Teamwork / Strong adaptability
- 3D modelling / Rendering
- Hand-drawn Illustrations
- Conceptual Design
- Physical Models
- Burmese(Native) / English
- (Fluent working proficiency)

ACHIEVEMENTS

KSAP End of Year Show, Canterbury, United Kingdom.
Featuring architectural model in KSAP End of Year show.
Dissertation Prize 2020.

Team Model Making Prize for Stage 1 Students.
Canterbury , United Kingdom

Bellerbys End of Year Showcase,
Oxford, United Kingdom.
Featuring drawings, models and sketchbooks.
