

PROMSORN JEARAPAN

Architect • Designer • Real Estate Developer

ABOUT ME

My name is Gene. I had passion about building and architecture since I was young, so I chose to become an architect to follow my passion and my dream. "Planning and Managing" is the key for my job to succeed. I am willing to work and learn new things that pushed the limit of my abilities and allow me the opportunities to gain knowledge, make new friends and enjoy with it
