## RELATED EXPERIENCE

- 09/2019 - Present
- IN-HOUSE PROJECT DESIGNER**  
CITY REALTY CO., LTD | Bangkok, Thailand
- City Realty Co., Ltd is a real estate development company that invests in residential, hospitality and school projects in Thailand and China, with their notable project being Shrewsbury International School, Bangkok.
- As an in-house designer, I am one of the main designers for the expansion of Shrewsbury School to Guangzhou, China.
- Key contact person between Bangkok and China office.
  - Presented design ideas and solutions to the lead architect, project managers and the project owner on a weekly Construction Management meeting.
  - Designed and developed a 3-storey Kindergarten for 400 students, with Chinese National and District regulations in mind.
  - Work closely with the school marketing team and an outsourced 3D modeling firm to create a flythrough animation for student recruitment.
  - Work closely with an Interior Design team and MEP for all interior, lighting, and air conditioning systems for the whole school.
  - Create school phasing program for first year of operations, and to reprogram to operate certain zones of the school.
- 06/2018 - 08/2018
- LANDSCAPE ARCHITECTURE INTERN**  
SURFACEDESIGN, INC. | San Francisco, USA
- I prepared concepts, design developments documents and graphic illustrations for landscape design for residential projects in San Francisco, Lake Tahoe and New Zealand. I also organized and led a public exhibition of the firms' projects at San Francisco Pier.
- 01/2016 - 08/2016
- ARCHITECTURAL DESIGNER**  
CITY REALTY CO., LTD | Bangkok, Thailand
- I assisted the senior architect on school expansion projects in both Bangkok and Guangzhou, China by creating handmade and computer 3D models to aid design decision making.
- 07/2015 - 10/2015
- GEOSPATIAL INFORMATION SYSTEMS INTERN**  
CITY OF SANTA MONICA | Los Angeles, USA
- I compiled a list of best practices of other cities. I produced ArcGIS framework for a mapping application, by including geotagged amenities in Santa Monica's 28 parks and produced interactive web map with JavaScript & Leaflet.
- Summer 2013, Summer 2014, Summer 2017
- ARCHITECTURAL INTERN**
