

NATTAPHOL SANGTONG

Address: 16 Soi Ramintra 23, Ramintra Road, Bangken,
Anusawari, Bangkok, Thailand, 10220

Telephone: +6687-493-2879 Email: bass_bodin@hotmail.com

EDUCATION

- Bachelor of Engineering (2nd Class Honor), GPAX: 3.33 (2013- 2017)
Faculty of Civil Engineering, Chulalongkorn University, Bangkok, Thailand

RESEARCH

- Civil Engineering Research (2016-2017)
Topic: Finite element modeling of built-up cold formed steel beams

WORK EXPERIENCES

- Structural Engineer, Civil and Structural Engineers Co., Ltd (CASE) (2017-2019)
 - Analyzed and designed structure of buildings
 - Modeled structure of buildings in engineering software (e.g. ETABS, SAP2000)
 - Used AutoCAD to draft structural drawing for construction
- Internship, CH. Kranchang Tokyu Construction Co., Ltd (2016)
 - Inspected construction process in structure to ensure quality and safety
 - Estimated the cost of material

SKILLS & LANGUAGES

- Computer Programs
 - Structural analysis and design: ETABS, SAP2000, CSIColumn, STADD Pro, ANSYS
 - AutoCAD, Microsoft Excel/Word/PowerPoint, JAVA
- Languages
 - Thai – Native, English – Good (TOEIC 820)

EXTRACURRICULAR ACTIVITIES

- Voluntary Engineering Student Camp (2014)
 - Volunteered in solar farm construction
- Lam Gear Camp (2013)
 - Took care and entertained student
