REASON FOR LEAVING

I've learnt a lot from my current role, but now I'm looking for a new challenge of BIM Modelling in construction and other related field and to grow up my career at abroad using my skills experience.

- Prepare general arrangement drawings for tender design.
- Prepare door/window schedules, rooms/finishes schedules drawings.
- Maintains, updates and makes amendments to drawings as needed.
- Producing structural drawings and specification with enough details to enable the client to construct properly.
- Knowledge in using Civil 3D, Revit Archi and Structure.
- Following supervisor instruction.
- Prepare 3D visualization drawings.
- Calculation of the quantities of materials.

Project Involved

- ★ Shweli 3 Hydropower Project (760MW)
- ★ Aya Pumped Storage Project (100MW)

3) Junior Interior Designer

August 2015 – January 2017

New Look Interior Co., Ltd, Yangon, Myanmar

Job Description

- Using Auto CAD, V-ray and Sketch up, prepare exterior design, interior decoration design and land scaping design.
- Analyze architects or other designs, prepare preliminary sketches and detail instructions.
- Prepare and develop sketch plan for clients.
- Preparation of detailed estimates.
- Issue purchase order, works order and variation works.
- Prepare as-fitted/ finish drawings prior to delivery

Project Involved

- ★ Star City Condo Project

4) Junior Drafter

April 2013 – July 2015

PEMCO Engineering Co., Ltd, Yangon, Myanmar

Job Description

- Prepare architectural and working drawings showing plans, elevations, sections and layouts.
- Produce detail drawings such as structural and construction drawings using Auto CAD.
- Coordinate with project team & contractors.
- Calculate the quantity and quality of materials needed, material and labor costs using MS Excel and QS sheet.
- Coordinating to the materials supplier and subcontractor.
- Preparing for weekly and monthly progress.

Project Involved

- ★ Pizza Restaurant Project
- ★ HINO Car Service Center Project

Declaration

I, Theingi Tun (Passport No. MF926382) certify that the above-mentioned details are true to the best of my knowledge and experiences.

Thank you very much for your kind consideration and time spent on credentials. I am looking forward to a positive reply from you.

Yours Sincerely,

Theingi Tun
