

Nasika Mukdapitak

(Baipooh)

I am looking for a job that challenges myself and wants me to be part of your team. I love to explore the new things all the time. I enjoy doing design functional, space planning, and developing ideas concepts and many other thing if I have a chances. Anyway, I would like to get hands-on and experience many different projects to utilize my ability to get continual improvement and I am willing to dedicate myself to the job with a can-do attitude.
