

# PORTFOLIO

## & Work Experience

### APINAN KAOSURAT

Professional Architect

Dec.1982 / 40 Years old

M.Arch - Tropical Architecture

B.Arch. – Architecture

Address : Ladkrabang , Bangkok

Tel : 097 919 8991

E-mail : apinan.ksr@gmail.com  
apinan.k@outlook.com

# Experience

## Architectural section

- Design / Drawing
- Solve problems at the construction site / Answer RFI
- Contact / Prepare documents for permission
- Estimated initial price
- Prepare a preliminary construction plan

## Research section

- Prepare a project proposal
- Prepare research content
- Visit the area / Collect data
- Analyze / Summarize results
- Interview and coordinate local people

## Project management section

- Write a project proposal
- Make proposals for budget approval
- Project meetings with other parties
- Project coordinator

## Other section

- Set up a volunteer camp
- Making a book (Editorial team)
- Produce academic articles
- Maintenance Office website
- Maintenance IT systems for the office

## Management experience

- senior architect
- Project coordinator
- project manager
- department manager
- executive director
- managing director

# Certificate

## Seminar & Workshop

- Feasibility for Architect
- Workshop OTTV&RTTV
- Universal Design
- Building Automation System

## Online Course Certificate

The project seen here It's only a small portion of the work that took part in the activity.  
Some components of the work may not be displayed here for a variety of reasons.

# Architectural project

- Design
- Drawing
- Control project overview
- Check construction drawings
- Project Co ordinate
- Contact government agencies for permission
- Answer RFI and review construction work

# 7th GAS SEPARATION PLANT PROJECT (GSP7)

## Owner

PTT Public Company Limited

## Project period

2022 - 2023

## Project status

Construction drawing

## Area & Construction Cost

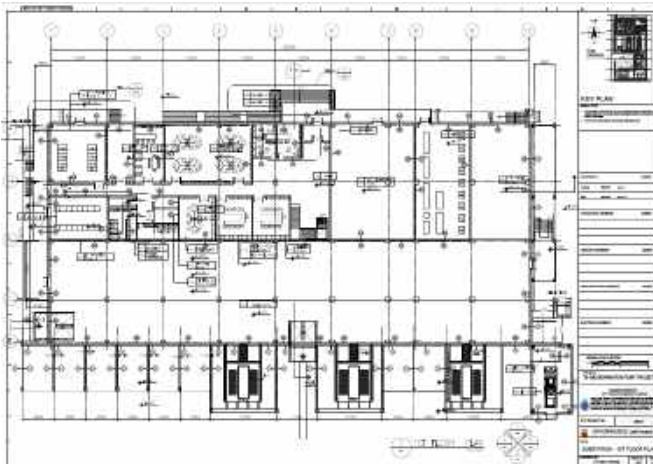

13,000 Sq.m. / 300,000,000 Baht

## Position in the project

Project coordinator

## Responsibilities

- check construction drawings
- coordinate with other teams
- contact government agencies for permission
- verify the specification against the standard.
