An Interior Designer with more than 4 years experience in the industry, I have worked on many different types of projects. From residential to hospitality projects, I have learnt from the major specialist of the design / construction industry of Mauritius. My strengths are technical details and coordination with the project team.

My priority as an Interior Designer is to excel in what I start or do. I am someone who accept critics which will help me improve as an Interior Designer. I have graduated from Taylor's University Malaysia with a great conceptual background which has helped me into developing idea during my working career.

Medley Bar

Found on a peninsula in the South East of Mauritius, Preskil Island Resort Mauritius project consisted of a renovation and new built. From the rooms to the public areas, the hotel concept is calm yet vibrant.

Banyan Spa

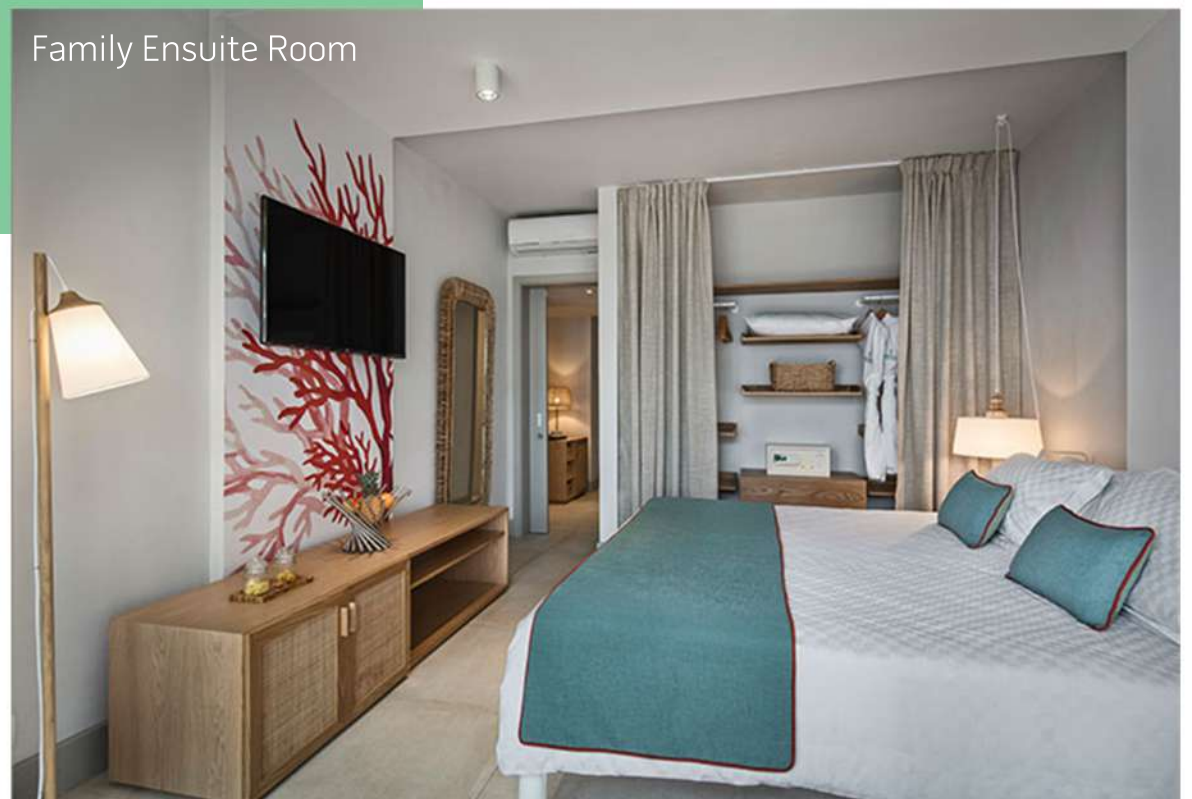

The concept and ideas was to create a contemporary 'island' retreat kind of hotel. The uniqueness of this hotel being on a private peninsula. The warmth of the hotel created the the choices of materials and colours. We also kept the local touch with deco items made from local suppliers.

Client - Rogers Hospitality

Project Type - Hospitality - Renovation

Location - Mauritius

Status - Completed

Year - 2021

The only beach club on Mauritius' southern coast, C Beach Club is a deeply sensorial experience. With its Dolce Vita-inspired beach lifestyle concept, it offers stylish yet understated setting, day and night. With its cosy and welcoming new spaces, it is without a doubt Mauritius' trendiest beach club.

Rendered Plan

Wine Tasting and Cellar

The concept and idea was to create a newly tropical and contemporary design. The colour palette used were the same tonality of the existing environment that is the sand and sea. All deco and design elements were all made from local suppliers. All materials were also locally sourced.

Seating Area

Construction Phase

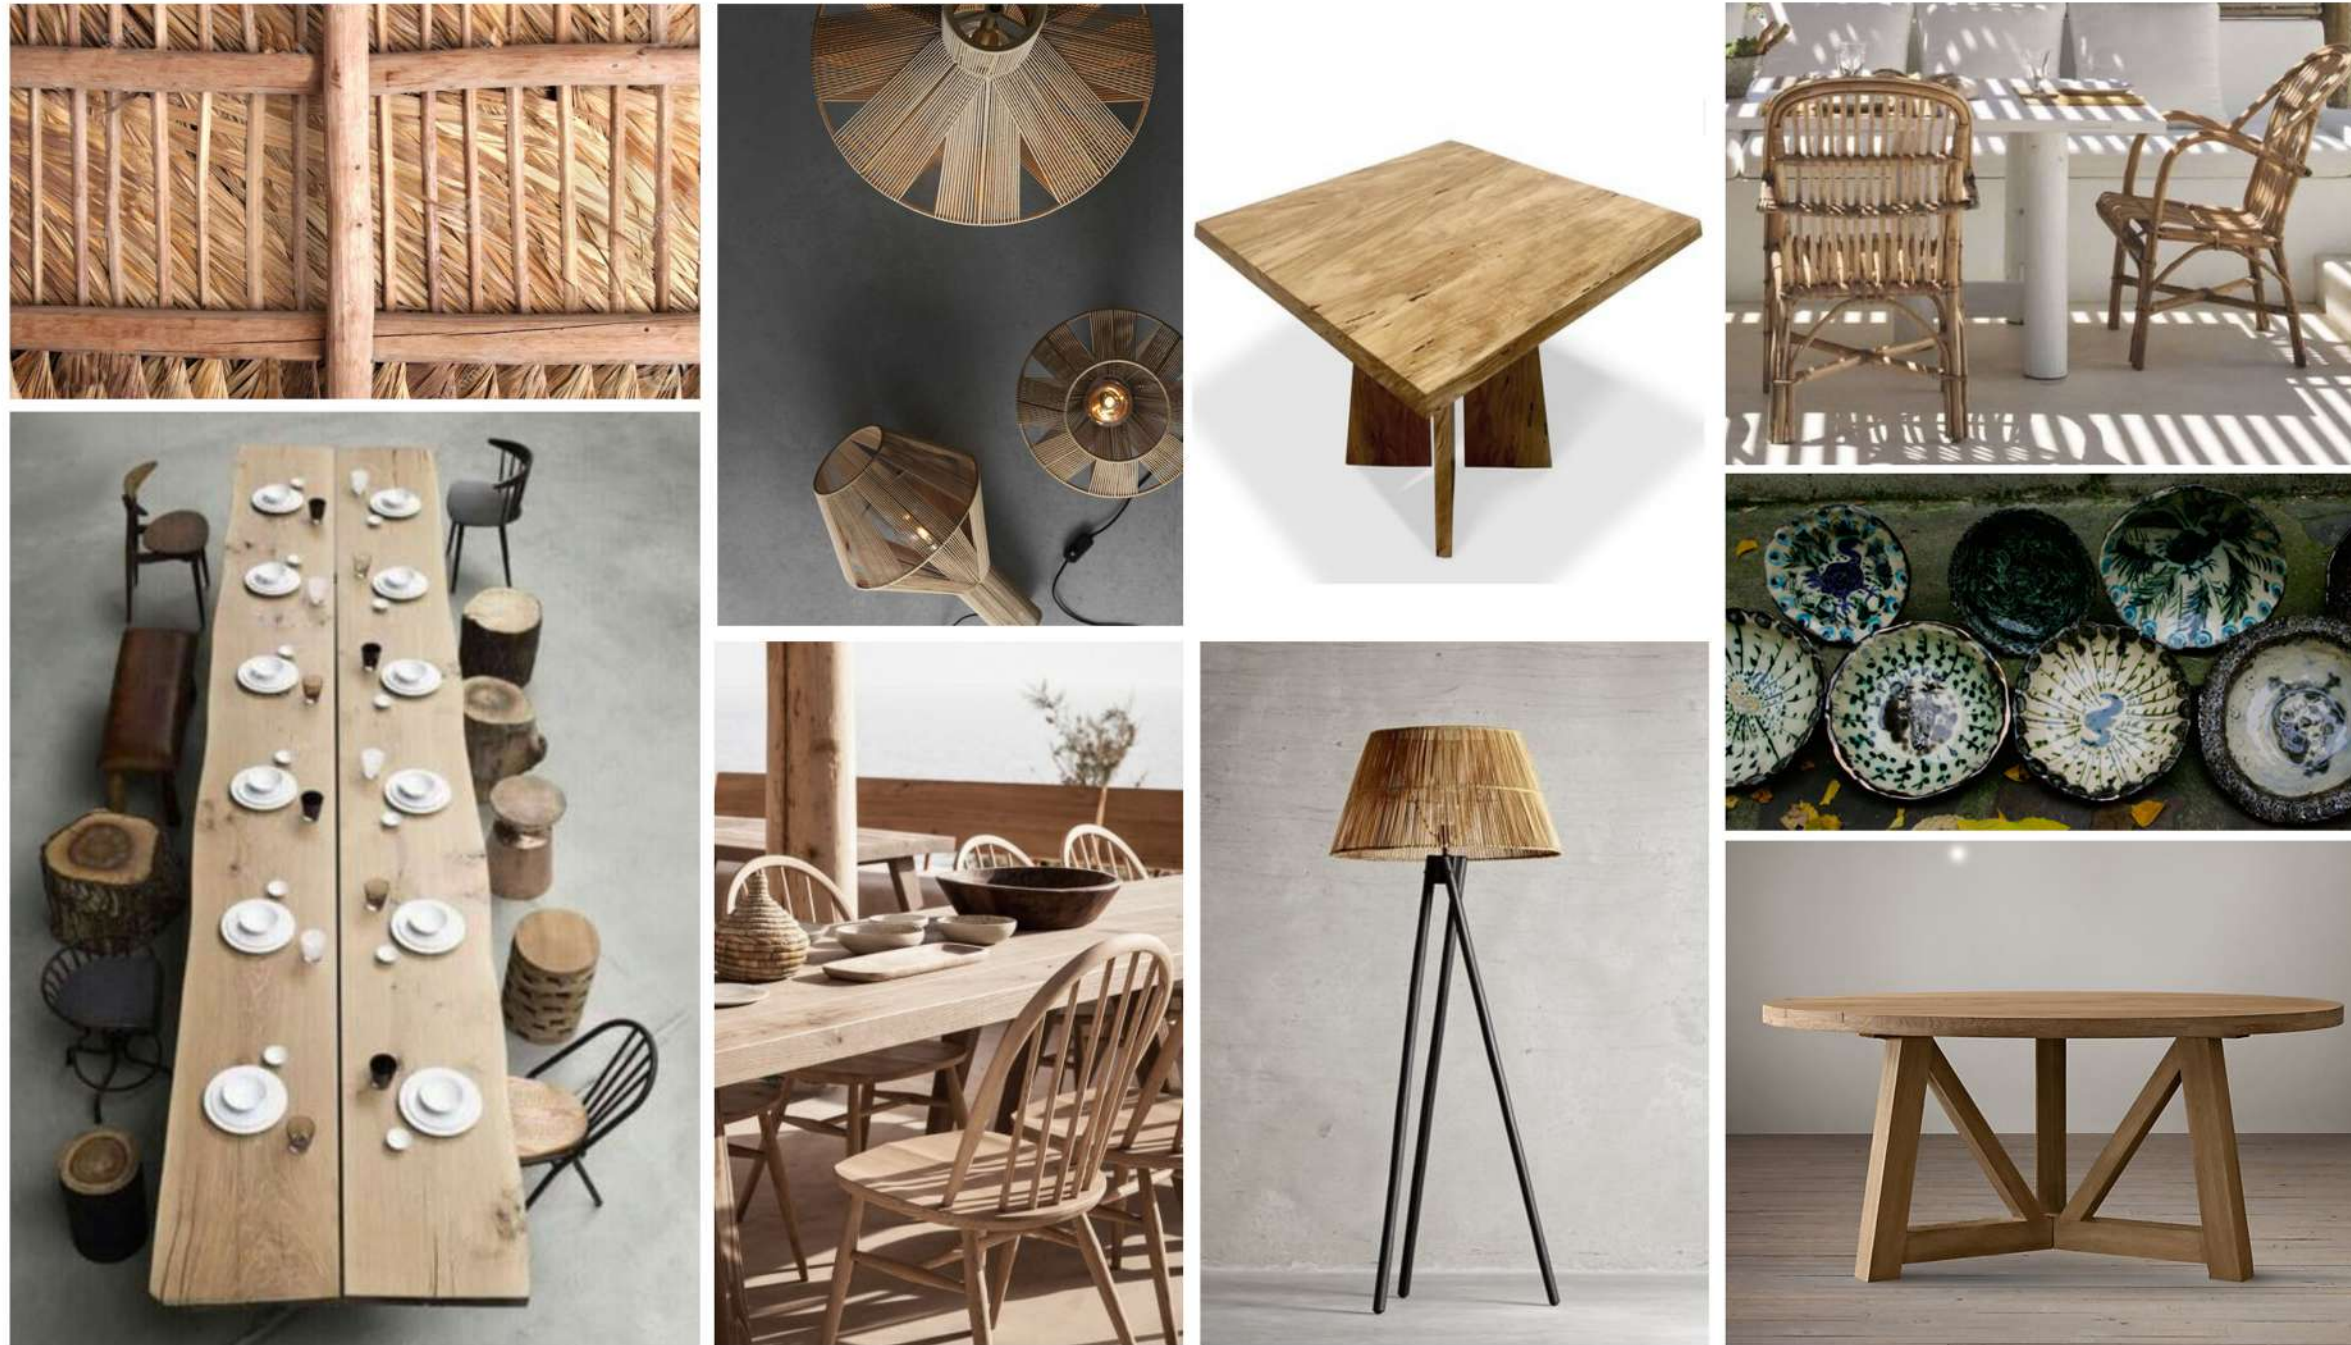

42 Market Street is found in Bagatelle Mall newly extension zone. The brief was to create a market style in a mall with typical 'Tabagie' shop, kiosk specially made for small enterprise and food area. The design was more towards an industrial look and was a success during its opening and still very popular.
