I'm graduated Bachelor of Architecture from King's Mongkut University of Technology North Bangkok Thailand in 2016. After graduated I apply DP architects Thailand as my first job. After 3 months in DP architects. I've sent by visit pass to Kuala Lumpur to do TRX project as a BIM specialist. And after 1 year I move to Chapmantaylor South East Asia to work as a designer and BIM leader.

In 2019 I have an opportunity to work for the biggest join EDMA maxcon group as a BIM manager. I create a very powerful team to delivered the mega project with 700,000 sq.m. by fresh graduated staff.

Later that in 2021 I became a partner of EDMA maxcon group by start Mekha architects co.,ltd until now.
