RE: Civil Structural Engineer

Dear Hiring Manager,

Please accept this letter as an expression of my interest in the Civil Structural Engineer position. I am a highly motivated and progress-focused Civil Structural Engineer with a long-standing background in this industry. Additionally, my educational background includes a Master of Engineering in Civil Engineering from Chulalongkorn University in Bangkok, Thailand. I have demonstrated academic excellence and received recognition for my research contributions, such as the manuscript presented at the 12th International Conference on Computing Methods.

In my previous role, I brought a wealth of experience gained during my tenure as a Civil and Structural Engineer at TANTAWAN CONSTRUCTION AND SERVICE CO., LTD. in Thailand. Working on high-rise buildings and various commercial and industrial structures, I honed my skills in structural analysis, design, and project management. I have proven to be effective and collaborative with strong teamwork talents.

Please take a moment to review my attached resume and credentials. I would greatly appreciate the opportunity to speak with you regarding my candidacy.

Thank you for your consideration.

I am available to start immediately, depending on your specific needs. In either case, I am sure that my experience and skills will be a useful resource for your company.

Sincerely,
Saw Thiri Khaing
