Kimheang Chea

Interior Design

I am a student at Assumption University in Thailand. I am known to be hard working as well as a very passionate about design.

My projects are a collection that demonstrate my commitment to creating pleasant places. With a passion for bringing imagination to life and find a strong concept to apply in the designing space. I'm now in my second semester of my fourth year, however it will finish at the end of March.

Internship At **ASC Interior Co.,Ltd**

Throughout that internship learning program, I have been engage with the designing in SketchUp application, escape rendering and finding supplier, also get to join a real meeting with the senior and the client.

I have been doing on the **area such as:**

- Lift
- Walk in closet & master bathroom
- Terrace
- Spa & Pre-function room

Modeling Software

Autocade
Sketchup

Rendering Software

Enscape

Digital Software

Adobe Photoshop
Adobe Illustrator

Soft Skill

Teamwork
Time management
Adaptability
Problem-Solving
Working Ethic
Openness to Feedback

Other Experience

- **Competition Design**

American Standard Design
VC Fabric

- **Internship**

ASC INTERIOR CO.,LTD

AWARD RECEIVED

- The rector's certificate of honor's student with GPA 3.50 (2nd year) 2020-2021
- Certificate of achievement is Workshop with Astrid klen, Klein dythem architecture 2023
- 2nd runner up price on AAU Competition 2023

CONCEPT

Inspiration : Cat

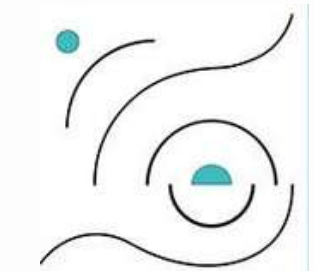

Cat can be Calm - Independent - Mysterious
 Cat show its calmness to people easily when it starts to trust people. It will come close to you by itself.

Movement:

Shape: organic shape and square
 Cat like to hide and play with a box, they also like to climb at a high places.

Form:

Cat bend its body like circular curve.
 A circular curve can be open or closed and is the most basic curved shape. Expressing grace, subtlety, softness and beauty.

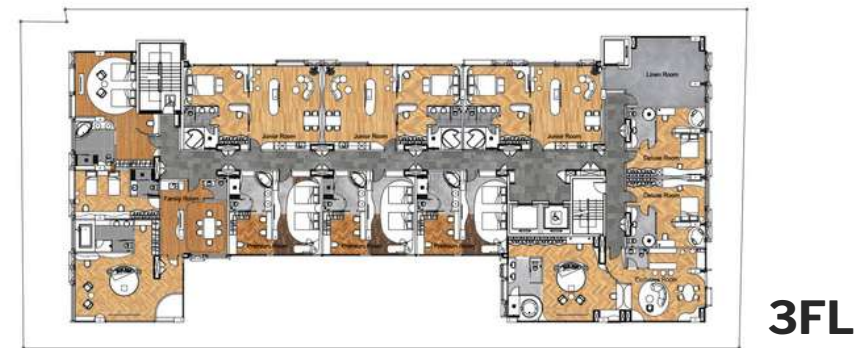

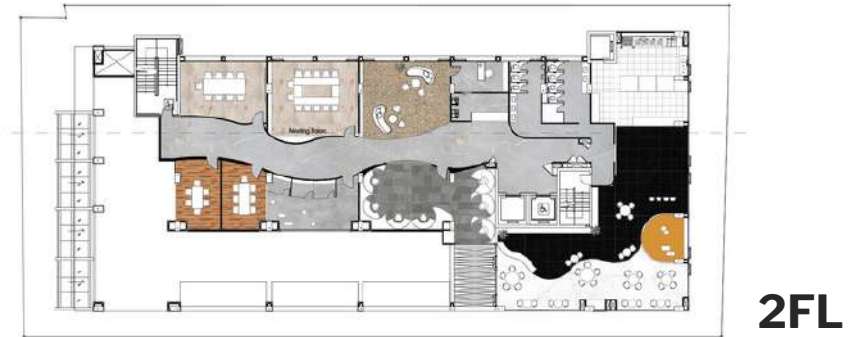

CAT HOTEL

HOTEL DESIGN

For our 5 stars hotel is about a cat friendly hotel which only cat. The purpose of our hotel is to provide a place to stay for the owner that love to take hold of their four legs friend along for traveling.

Location
Benjakitti Park, Thailand

VC FABRIC (GROUP WORK)

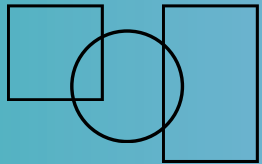

Concept Inspiration

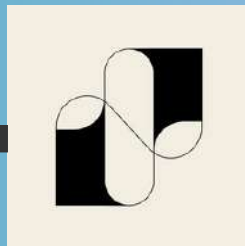

In Canva design inspiration, they using five shapes as a basic design, shade, visual and layer shapes creatively.

The idea of the form is inspired by geometric shape and using asymmetrical balance in our design.

Design Process

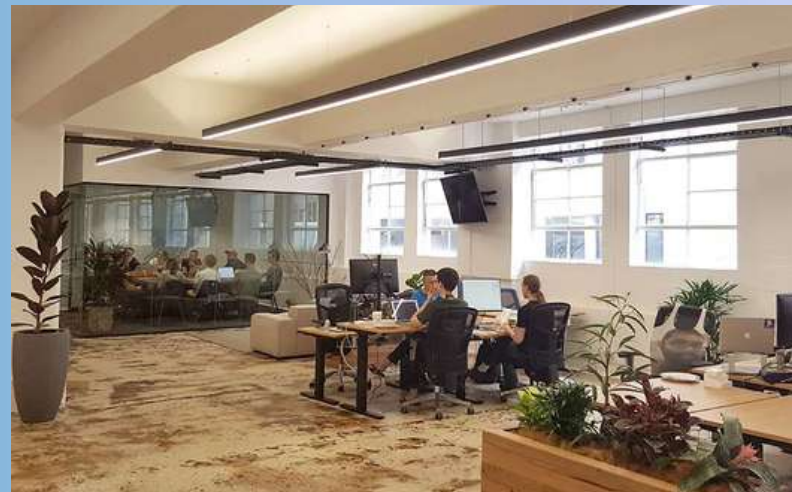

Using overlapping technique on the geometric shape and exclude it out.

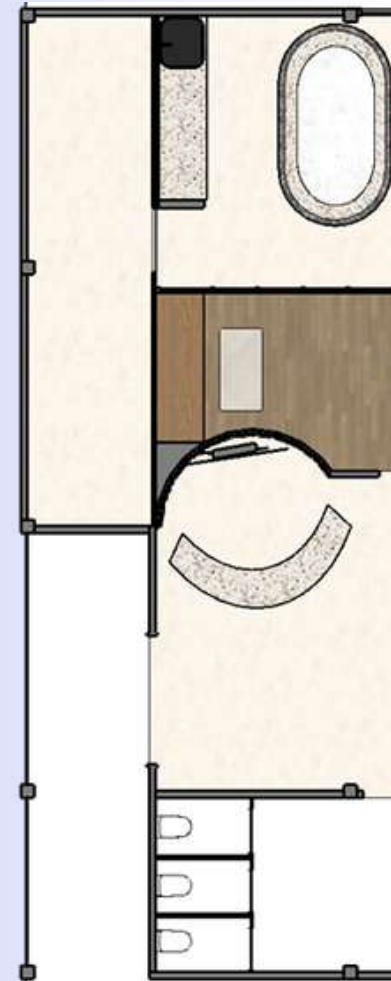

The movement of the space, how it interact together in harmony.
